This is altogether a new medicine, the result of modern discoveries in the vegetable kingdom, being an entirely new and abstract method of cure, irrespective of all the old and worn out systems published by accomplished quacks to the entire ing. Dr. Wright, well knowing the deception practiced upon the uninitiated. Selt it his duty at once to have this Elizar tested by the whole Medical Facultz who, without even one dissunting voice, have given in their adherence to its perfect and undivided control over the whole physical mas when his frame has been excluded, and when all other medicions known to the Pharmaco seduced, and when all other medicines known to the Pharmaco pais have been tried in vain. Long thought years of patient investigation, and a will desperandum determination have crawmed the Doctor's efforts, and he now offers the Kilkie to suffering humanity as the only thing that can cure the fellowing discasses arounds:

No Minerals ! Dr. Wright thinks it well to stake his professional character on the fact, that he minerals whatever form the least component parts of the impredients of his Rejuvenating Elixir—well know-ing what rulu has been entailed on the community by opium and mercury.
